

MI Fresh Milk Council is a partnership focused on promoting direct farmer to consumer relationships for providing fresh unprocessed milk and dairy products.

MI Fresh Milk Council has a certification program for cow share dairies.

We educate farmers and consumers about the benefits, production, safe handling and consumption of fresh unprocessed milk.

We promote:

- The nutritional values of fresh unprocessed milk
- Cows grass-fed on pasture
- Sustainable, local, small dairy farms

We advocate the consumer's right to choose.

Members of MI Fresh Milk Council

- Are eligible to apply for certification
- Receive notice of meetings
- Receive periodic updates on activities
- Receive "alerts" related to MI-FMC

Membership Application

Name

_____ *please print*

Address (postal address)

City, ZIP code _____, _____

Phone number _____/ _____

Email address _____@_____

(most communication will be by e-mail, unless unavailable to member)
